Ramadhan Notice

During the month of Ramadhan, a number of Trinity students will be fasting and observing nighttime prayers. If you are fasting during the exam period, please balance your religious observation with your education. We expect 100% attendance from all students to all revision sessions and exams; we would also encourage students to drink plenty of water before and after their fast to avoid dehydration and tiredness during the school day.

As there are exams on the two potential days of Eid, students will need to ensure that they attend for these as they cannot be rearranged under any circumstances.
