HALF TERM
ACTIVITIES

Dear Parents and Students,

POLICE RECRUITMENT EVENT

West Mercia and Warwickshire Police will be holding a community recruitment event at Trinity school on Wednesday 4th February from 6pm - 8pm. The event will take place in the Dining Hall and will include a short presentation followed by the opportunity to talk with Police Officers from different units. Those of you who might be interested in a future career with the Police, either as an officer, a PCSO, Cadet or Volunteer are very welcome to attend what promises to be an interesting and informative evening.

SAFER INTERNET DAY

Safer Internet Day 2015 will be celebrated globally on Tuesday 10th February with the slogan "Let's create a better internet together". Trinity High School will be running a number of activities to help promote the safe responsible and positive use of digital technology for our students and their families.

At school we aim to equip our students with the digital literacy skills they require for today's world, and give them opportunities to use and create positive content online. Our pastoral programme and ICT curriculum aims to give our students the resilience, confidence and skills to navigate the internet safely.

At home parents and carers can help create a better internet by maintaining an open dialogue with their children about their online lives, supporting them with their online activity, and seeking out positive opportunities to engage with their children online.

Students can help create a better internet by being kind and respectful to others online, by protecting their online reputations and by seeking positive opportunities to create, engage and share online.

For further information on activities for parents and carers visit:

SCHOOL NEWS

SNOW AND ENFORCED CLOSURE

If school has to close during the day and students are unable to go home we will always provide supervision until the end of the school day or the parents are able to collect. This has only happened once in the last fifteen years and this decision is not taken lightly.

However, the normal routine is that a decision is taken by 7.00am and posted on the school website. Radio stations (BBC Hereford & Worcester, Heart FM and BRMB) are also informed. Worcestershire County Council is also informed. As over 90% of our parents and students have internet access the best place to look is our school website, www.trinity.worcs.sch.uk. The school will always be open unless advised as closed on the website.

If school is closed there will be no one answering the school telephone. The switchboard does not open until 8.30am and simply cannot cope with over a thousand phone calls.

BUSINESS STUDIES - YEAR 13 REVISION CONFERENCE

Year 13 A2 Business Studies students went to the Vue Cinema at Star City to take part in a Unit 3 Revision Conference. We learnt about exam techniques, how to analyse case studies and picked up lots of revision tips!

SMARTEEZ ENTERPRISE GROUP—VALENTINE'S DAY

On Wednesday 28th January, 'Smarteez Enterprise Group' started taking orders for chocolate roses with a special message in the delivery. Your 'secret' valentine deliveries will take place on Thursday 12th February, just in time for the special day. Please place your orders in the Dining Room.

The cost of a chocolate rose and special message is just £1.50

ART PIECE OF THE WEEK

This edition's selected piece is a change from the normal newsletter entry, it is an excerpt from Courtney's photography sketchbook. Courtney's exciting outcomes are a direct result of her willingness to experiment with ideas and materials, we have chosen to include one, of many, double-page spreads from her sketch book to show how much work she puts into a concept.

Courtney, along with the rest of the Sixth Form taking the Arts, will be receiving her exam question next week and so will be embarking on a new journey of experimentation; we wish her and the rest of the Sixth Form the best of luck for their upcoming exams.

Art, Photography and 3D catch-up runs Monday - Thursday after school and we would recommend that any students, due to take their exams in March or April, attend at least one catch-up a week.

Remember to follow @adt_ths for all things creative at Trinity!

HALF TERM ACTIVITIES

Details are attached for an Ice Skating Trip on Wednesday 18th February. Booking and consent forms are also available from the General Office.
