Dear Parents and Students,

As this is the last newsletter before half term, I would like to wish everyone a restful holiday. Year 11, 12 and 13 have been working extremely hard over recent weeks to ensure they are well prepared for their GCSE and A Level examinations. I know a number of staff and students are coming into work over half term. I wish all students the very best of luck and I look forward to seeing happy faces in August on results days.

We are saying goodbye to Miss Johal, who is moving to a new job in London. We wish her all the best for her future career.

We are also saying a temporary goodbye to Mrs Packett who is going on maternity leave today. We look forward to meeting her 'new arrival' very soon.

Your sincerely

Mr A Ward  
Headteacher

### STEM – DRAGONS' DEN FRIDAY

During the year, all Year 9 students have completed a STEM project in Technology & Science. This has involved students undertaking experiments in Science, then designing & making in Technology a solar powered product. The best 15 competed, presenting their ideas to four Dragons to represent Trinity High School at the interschool Dragons' Den Competition on 2nd July. All students demonstrated a wide range of creative & innovative ideas. The three students representing Trinity High School in July are Brandon with his solar scooter, Natalie with her carousel toy and Wiktoria with her solar powered straighteners.

Mrs Reynolds and Mrs Cheetham, together with Ms Phillips from Alcoa, were very impressed with everyone's presentations and asked some challenging questions!

Congratulations to everyone.

## THE MERCHANT OF VENICE

Year 13 Drama and Theatre Studies students recently enjoyed a trip to the Royal Shakespeare Theatre to see the Royal Shakespeare Company's production of *The Merchant of Venice*. The students thoroughly enjoyed the performance and it has given them plenty to think about in advance of their forthcoming written exam where they will answer a question that challenges them to compare and contrast the performance of the play with the original Elizabethan performance conditions.
