SCHOOL NEWS

STUDENT PANEL HELPS IN SELECTION OF NEW TRINITY STAFF FOR NEXT ACADEMIC YEAR.

On Tuesday the 9th of June, interviews took place for the post of Learning Cover Supervisor for next academic year. One of the tasks of the candidates was to face the 'student panel' who had prepared a variety of open-ended questions for them. The maturity, insight and understanding of the exercise shown by the students was simply superb. It was a very professional activity, one of three that the potential candidates had to go through.

We have indeed appointed two out of the five candidates for this position, the student panel indeed concurring with the decision of Mr Ward, Headteacher.

I hope you too thought it was a worthwhile and useful exercise. Thank you again for your help and for seizing the opportunity to add to your personal statement in the future. Well done to Paige, Harriet, Latishia, Lizzie, Muheeb, Akeel, Ayesha and Maariya!

PARTNER SCHOOL, COLLÈGE TERRES ROUGES

This week, 9Y1 French Group have been making a video of Trinity High School to send to our partner school Collège Terres Rouges in Epernay, France. We have been writing pen pal letters throughout the year and have been learning about school life in France. Next year, the students will have the opportunity to take part in an exchange visit to Epernay to spend time in the school there and partake in a variety of visits. More information on the exchange will be available in July.

ART PIECE OF THE WEEK

This week our Year 10 photography groups were asked to sit a mock exam, editing photographs they had taken in the preceding lessons. Our students were asked to research the work of David Hockney and respond by creating a series of images inspired by his techniques. This edition's 'piece of the week' was selected because of its huge success in both the preparatory image capture and the edited outcome. Not only did Amber apply Hockney's techniques effectively, she also made sure that she made it relevant to the rest of her project work through her careful selection of objects. The photo-montage contains a range of different angles and proximities fused together to make a coherent image – well done Amber!

We can only choose one piece for 'piece of the week,' however we would like to recognise the efforts of all our students – their outcomes surpassed expectation and so we'd like to congratulate everyone on a job well done!

YEAR 10 ROUNDERS - TRINITY VS TUDOR GRANGE

Last week the Year 10 Rounder's Team faced their most challenging game so far in the league against Tudor Grange Academy. The girls trained long and hard in preparation for this game and they needed a win to stay top of the Rounder's league.

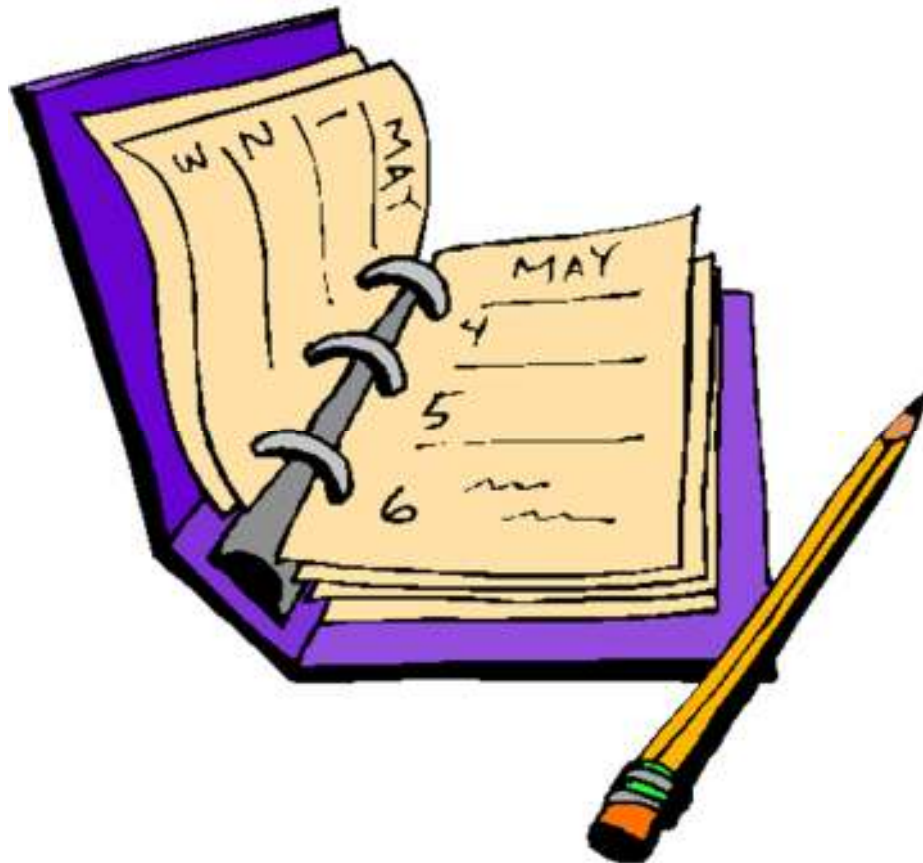

With a full squad the Trinity girl's dominated the 1st innings with a great batting performance and some skilful fielding 5.5 - 2.5. However in the 2nd innings Tudor Grange pushed out their fielders to ensure our batters kept the rounder's to a minimum. Towards the end of the 2nd innings we had to stay tight and ensure Tudor Grange did not take the lead. On the last ball of the game Hollie Lavery pulled out a fantastic catch in the deep and kept the end score to a draw - 9.5 - 9.5.

Both teams played a competitive but fair game. Player of the match goes to Hollie for her top fielding performance.
