Excellence for all

WELCOME TO OUR SCHOOL

Welcome to the Trinity High School & Sixth Form Centre Prospectus.

I have both the privilege and immense pleasure of being the Headteacher at Trinity High School. The school is a very special place and visitors are always impressed by the warm, friendly and highly positive relationships that exist between staff and students and between the students themselves. We are a friendly and caring community where students are encouraged to aim high, embrace challenge and develop resilience to achieve their potential.

Our school motto, **Excellence for All** encapsulates our vision for all students in our care. Our motto reflects both ambition and inclusivity and allows students to prosper because we have high expectations of their academic progress as well as their personal development. As they move through the school they grow into confident, articulate young adults who contribute selflessly to their families and their local communities.

Our young people leave us equipped to meet the demands of a fast-changing workplace that requires independent thinking, creativity and collaboration.

I look forward to welcoming you to our happy, friendly and high achieving school.

Nigel Ford
Headteacher

TRINITY HIGH SCHOOL & SIXTH FORM CENTRE...

...a school built around a big HEART!

We incorporate our five core **'HEART'** values of **happiness, excellence, ambition, respect** and **tolerance** in all aspects of our work, underpinning our excellence for all motto.

At Trinity, we strongly believe that education opens doors and has the power to change lives. We are therefore relentlessly striving for excellence for all our students so they can realise their talents and create their futures.

Our daily work is underpinned by our core values. You will see the values lived and breathed in every element of school life.

Our values help to ensure that students prosper because we have unceasingly high expectations and aspirations for their academic progress as well as their character development.

EXCEPTIONAL TEACHING AND LEARNING

We understand that excellent teaching leads to memorable learning and excellent progress and so we invest in our first-class team of staff to ensure that we deliver exceptional teaching on a daily basis.

Evidence based teaching and learning strategies, engaging styles and creative approaches within the classroom ensure that students access the curriculum regardless of their ability, prior attainment and learning style.

We pride ourselves on the Quality of Education we deliver. Our teachers are bold, pioneering and innovative. They love what they do and make learning irresistible.

Pupils make good progress in a broad range of subjects and are well prepared for transition to further education or training, post-16.

(Ofsted, 2018)

A RICH ACADEMIC CORE CURRICULUM

We offer a full and rounded curriculum: all students study a rich, academic core as well as a choice of specialised and more creative subjects.

It is important to us that students are taught an ambitious curriculum that prepares them for life in Modern Britain.

Students take part in many academic challenges throughout their time at Trinity; maths and language competitions, engineering projects, creative writing and fieldwork.

All these opportunities relate the school's curriculum to the world of work and combined with our on-going careers advice, result in academic challenge and support.

CREATIVE, TECHNICAL AND PERFORMING ARTS – OUR CREATIVE ARTS CURRICULUM

Having opportunities to participate in or make something beautiful is integral to our school experience- our students sing, play, make, act, draw and design, understanding that persistence leads to high standards as well as developing a spirit of adventure.

We have purpose-built facilities for Drama, Music, Art, Food, Photography, Engineering, Computing and Product Design.

Whatever your talent or interest, you get a lot of opportunity to shine.

(Student Survey 2022)

BROADENING HORIZONS PROGRAMME – TRINITY'S EXTRA DIMENSION!

We believe passionately that as part of our curriculum offer, students should broaden their horizons and develop their skills and attributes beyond the classroom.

Our wider curricular opportunities help students to develop confidence, leadership skills and teamwork and we therefore strongly encourage participation in our extra-curricular programme.

Alongside the more mainstream school clubs, students can become involved in a whole host of memorable experiences such as school productions, the Duke of Edinburgh Award Scheme and local, national and international trips.

Our traditional House System creates a sense of belonging as well as creating opportunities for healthy competition and our Cultural Capital Programme helps to develop students as people of good character and develop their mastery of the world around them.

Pupils are a great asset to the school. They are proud of their school, and are polite and welcoming to visitors. They value the warm relationships with their teachers and recognise that many teachers go the extra mile to support them.

(Ofsted, 2018)

HAPPINESS AT HEART – OUR PASTORAL CARE PROVISION

At Trinity High School and Sixth Form Centre, we pride ourselves on the care and support we offer every student.

We believe that when a student feels happy, positive and confident about themselves, they can flourish in the classroom and achieve academically.

Our pastoral support team includes every member of the school community; teachers, non-teaching staff and the students themselves play a vital role in ensuring our school meets the needs of each individual. Our frontline Pastoral Care services are second to none.

Our **HEART Centre** is our dedicated inclusion support and well-being centre which incorporates **HAPPINESS AT HEART**, our in-house mental health service.

Support is always on hand for all members of the Trinity community including our parents and carers.

“The pastoral care at Trinity is fantastic. We really appreciate the school investing time and effort in our daughter’s education inside and outside the classroom.”

(Parent Survey, 2022)

TRINITY SIXTH FORM CENTRE – CONTINUING EXCELLENCE FOR ALL POST 16

Progressing to the Sixth Form is a route that we want our students to aspire to from the outset.

The Sixth Form provides a stimulating environment for academic study and has the right balance of support, high expectation and enjoyment.

By enrolling at Trinity Sixth Form, students have access to an ambitious programme of Post 16 study, an outstanding enrichment programme and the best possible careers information and guidance.

We expect Sixth Form students to take a leading role in all aspects of life at Trinity, supporting staff, helping younger students and leading events in our magnificent house system.

“We are extremely happy with the experience my child has had at the sixth form.”

Teaching has been excellent and the communication from the staff has been both regular and useful.
